Re: Electronic Data Resources, Inc. ("EDR")

Dear Mr. Ferreira:

On behalf of EDR and as counsel to RCM Representative, LLC ("RCM"), the stockholder representative under that certain Stockholders' Representative Agreement, dated as of September 20, 2005, by and among RCM and the former stockholders of EDR, it is my pleasure to inform you that the sale of EDR (the "Merger") pursuant to an Agreement and Plan of Merger, dated as of September 21, 2005, by and among EDR and the other signatories thereto (the "Merger Agreement") has been completed.

Prior to the closing of the Merger, EDR distributed certain excess cash proceeds as a dividend on its common stock to RCM as the stockholders' representative. Pursuant to the terms of the Merger Agreement, the buyer in the Merger wired the purchase price for the shares of EDR that it acquired to RCM as the stockholders' representative. RCM, as the stockholders' representative, has wired to you, in a single wire transfer, an aggregate amount of cash that represents your portion of this dividend and your portion of the purchase price. Enclosed with this letter is a fully executed version of the Stockholders' Representative Agreement. Attached to the Stockholders' Representative Agreement is a completed Exhibit A which breaks down, by stockholder, the amount of the wire that was sent to each stockholder by RCM that represents dividends from EDR and the amount of the wire that represents purchase price from the Merger.
